

NEWINGTON PARKS AND RECREATION DEPARTMENT

Summer
2012

Aquatic Facility Information

Newington Parks and Recreation Department has two outdoor pools that operate during the summer season, located at Mill Pond Park (parking lot available off Browning Avenue) and Churchill Park (located on Main Street). We offer recreational swim times, group swim lessons, semi-private swim lessons, private lessons, water baby classes, pool parties, special needs swim lessons, special events and much more! Newington residents may purchase a Summer 2012 pool pass at the Parks and Recreation Department, or pay daily admission rates at the pools. Summer 2012 pool passes permit entrance to both pools during recreational swim times. Summer 2012 pool passes may also be used at the Newington High School Pool for the 2012-2013 indoor season. **Newington's aquatic facilities are only open to residents, but residents may bring non-residents as their guests during recreational swim times.** Non-residents may only use the pools as a guest of a Newington resident and must pay the daily admission rate. The outdoor aquatic facilities will close in the case of thunder and/or lightning in the immediate area. No refunds on daily admission rates due to inclement weather. Pools will re-open thirty minutes after the lightning and/or thunder ceases. In case of inclement weather, please call the Pool Activity Line at 860-665-8766.
